member When . . .

Prologue . . .

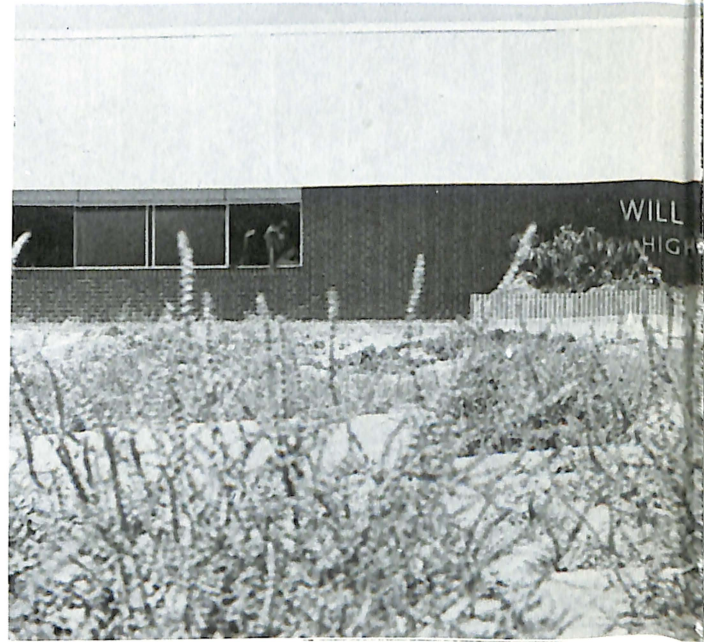

Throughout the pages of ULATIS "73," an attempt has been made to symbolize the heartbeat of Vacaville High-Wood High. Amid trials and successes, remained an enlightening and rewarding experience . . . It would have been impossible to continue onwards without the effort of each and every staff member. Sincere appreciation is due to Mr. Collingwood and Mr. Davis who gave so much of their time in helping provide for a good yearbook this year.

WE WOULD LIKE TO GIVE A SPECIAL SALUTE TO THE CLASS
OF "73"

THE ULATIS STAFF

*Keep Your Face
And*

*Toward the Sunshine . . .
the Shadows Will Fall Behind You.*

W. Whitman

Juniors

*When the white eagle of the
North is flying overhead
And the browns, reds, and golds
of autumn lie in the gutter dead —
Remember then the summer birds
with wings of fire flaying.
Come to witness Spring's new hope
born of wings decaying.
As new life will come from death,*

*love will come from pleasure.
Love of love, love of life
giving without measure...
Gives in return a wonderful yearn
of curse, almost sin.
Live hand in hand and together
we'll stand on a threshold of a
dream...*

Discover Me!

And perhaps I'll discover you,
And our wonder will grow
by the hour by the day
At the eternal depths of the human
mind
The human soul
When freed by love
And capable, at last,
of sharing the magnificent
ecstasy!

Discover Me!

Again the mighty Bulldogs led the Delta League as one of Superior California's pre-season favorites. Vacaville opened up the season by up-ending Napa N.B.L. leaders 13-12 and then crushing 1972 Foothill champions Placer 21-0, behind the leadership and passing of Quarterback George Napier. Ranked 6th in Superior California, the Bulldgos upset highly rated Rio Americano of the C.V.C. on Mike Macrina's 27 yard field goal 16-14. Concentrating on execution, timing, and hard hitting, the Bulldogs ended the 17 game winning streak powerhousing Enterprise of Redding 34-14.

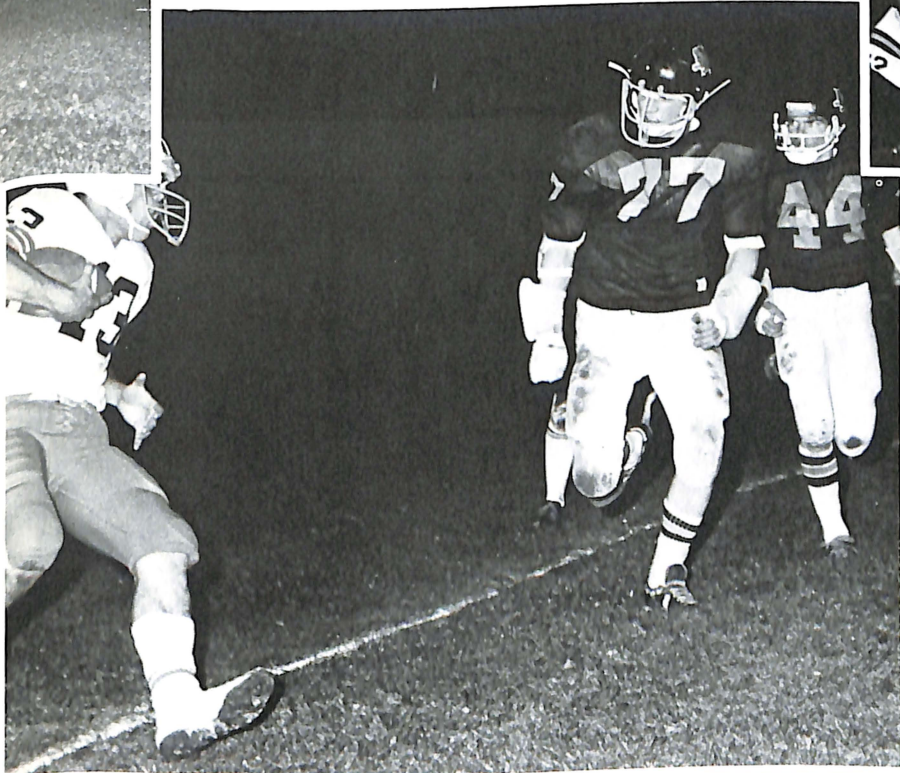

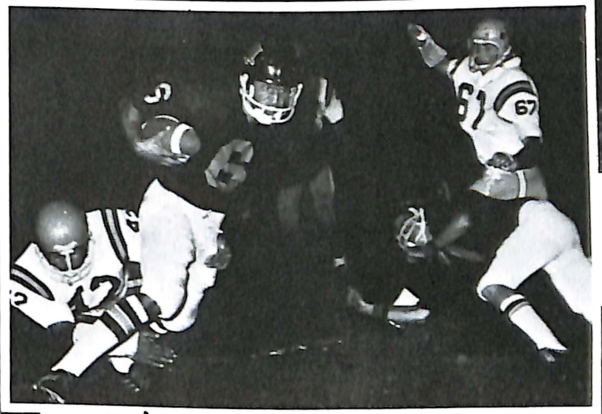

Entering the 1972 Delta League campaign ranked 4th, the Bulldogs continued on their winning ways with devastating defensive play and flawless execution by defeating Fairfield 15-9 and Woodland 19-0.

Although outgained by a 2 to 1 margin, the Armijo Indians hung on to give the Bulldogs their first defeat 14-12. The black and orange bounced back and shut out the high scoring Blue Devils 8-0.

The Vacaville Bulldogs ended the 1972 season by battling the Cordova Lancers for the Delta League Championship. In a rain soaked game, evenly matched but marred by many fumbles, the game came to a close with the Lancers winning 12-0.

Letters to the Editors

Float Judging Questioned

Dear Editor:

In my opinion the judging floats at Homecoming was unfair to everyone concerned. I think that there should be some changes made for the Homecoming floats to come.

For example, instead of having one class for one float, we should have several classes, who may use the class for one float.

Concert Review

He walked on stage and sang "Suite For 20 G", a few new selections and, the timeless "Fire and Ice". Taylor's down home style here added a feeling of warmth which made it easy to listen and enjoy. Jamming was my favorite part of all of his music. His favorite (next to "You Can't Take It With You") is "You Can't Take It With You". Taylor's down home style here added a feeling of warmth which made it easy to listen and enjoy. Jamming was my favorite part of all of his music. His favorite (next to "You Can't Take It With You") is "You Can't Take It With You".

I am speaking of Taylor who is a member of the Berkeley Community College band. He will be performing on Oct. 29. His first album, "You Can't Take It With You", was released in 1970. It was a big success and he has since released several more albums. His music is a mix of folk, rock, and country. He is a very talented musician and a great performer. He has a long career ahead of him and I am sure he will continue to make great music.
